EXPERIENCE

- 2004-Present Project Manager, Harmon Construction, Inc., Macon, GA
* Takeoff and evaluate plans for bidding.
* Generate subcontractor list and solicit subcontractor bids.
* Monitor status of projects and communicate with Owner and Architect to ensure project completion as specified.
- 2002-2003 Construction Superintendent, B.E. Guthrie Construction Co., Inc., Decatur/Albany, GA
* Become familiar with project blueprints and specifications to ensure the project is completed as designed.
* Evaluate plans and requirements to prepare a project construction schedule.
* Maintain detailed records of change orders, subcontractor information, and daily reports noting weather conditions, employee and subcontractor hours for payroll purposes, equipment conditions and any other pertinent details.
* Supervise work crews of 15 or more to ensure the work meets project specs.
* Communicate with city engineers and inspectors to report on the progress of the project.
- 1999-2002 Junior Production Manager, Apollo Construction Group, Kennesaw, GA
* Manage projects and act as liaison between clients and production staff.
* Operate CAD/CAM driven hot-wire machine to cut custom designed shapes from EPS foam.
* Schedule and manage workload for production staff.
* Maintain warehouse and coordinate shipping and receiving of products and supplies.
- 1998-2002 Estimator/CAD Designer, Apollo Construction Group, Kennesaw, GA
* Meet with prospective clients to discuss and assess their project needs.
* Design custom architectural effects / sign monuments using AutoCAD R14 / AutoCAD 2000.
* Estimate cost of custom designed products with self-written Microsoft Excel program.
* Prepare and send project bids.
* Design and maintain product catalogue for customer information.
